WHO WE ARE

Solution is considered one of the leading names in Exhibitions, Events and the Interior design industries in **Egypt**.
Our company's main office was established in **1992** in Egypt then we Branched out to **Dubai** and **Slovakia**.
We provide services in the field of exhibition and trade fairs locally and internationally all around the world. Projects are designed, managed and Constructed by our team of qualified experts to meet our client's expectations. Our well-equipped workshop coupled up with our experienced team of Carpenters enable us to produce high-quality custom-built stands, retail Pavilions, shell scheme stands and much more. Solution is dedicated to Present the highest level of services to our customers wherever and whenever.

OUR MESSAGE

Solution is a well-respected company with a proven track record of success.

Our goal is to design concepts and build Stands to win the visitor's attention in a crowded exhibition.

Probably the last decade was one of the most challenging for us, coupled with an amazing competition, but we continued to develop and improve new horizons.

In addition to maintaining a good relationship with our clients during our process, we strive to gain their loyalty and respect as well.
Solution was established to serve the exhibition industry worldwide by always presenting a fully integrated solution.

We are optimistic with the potential of our industry and looking forward to serving it.
